## Profile

Front-end developer with 6 months experience in Angular and React.js, building responsive user interfaces and reusable components. Skilled in integrating RESTful APIs, optimizing performance with lazy loading, and enhancing scalability. Eager to apply technical skills in JavaScript, TypeScript, HTML5, CSS3, and Graphic Design skills to grow in a collaborative environment.

## Skills

**Frontend :** HTML, CSS, JavaScript, React, Tailwind, Bootstrap.

**Backend :** Node.js, Express.js, Mongodb.

**Graphic Design:** Adobe Illustrator, Photoshop, CorelDraw

## Experience

### Frontend Developer Intern , Monet

Dec 2024 – June 2025

1. Collaborated with the frontend team to design scalable UI modules adhering to Angular best practices. Reusable components built, including a mat-table with pagination, sorting, and filtering features, improving the speed of data interaction by 40%.
2. Integrated REST APIs and plotted charts for data visualization using HighChart.js, enhancing decision making 90% easier.
3. Boosted performance by optimizing change detection and lazy-loaded modules, achieving 25% faster load time.

## Projects

### 1. Momhomes

2024 link

Momhomes interior design application Implemented a **modern user interface** using **HTML, CSS, and Bootstrap** for fully responsive and accessible across all devices. Integrated **MongoDB** for smooth operation of the contact form and scalable data storage.

### 2. Plant Ecommerce

2024 link

Architected a product-based e-commerce platform with product listing, cart, wishlist, and order flow features. Developed basic authentication using localStorage for persistence of user identities and implemented protected routes for access control. Applied Angular routing and a service-based architecture using a mock backend (JSON Server).

## Education

### Saraswati Mhaila Mahavidyalaya , MCA in computer Application

July 2025 – July 2027

- Pursuing first year of Master of Computer Applications.

### Indira Gandhi Open University , BCA in computer Application

July 2020 – July 2023

## Certificate

### Graphic Design and Web development - Arena Animation

Dec 2021

## work

### 1. VIE Medical Institute and Research Foundation

June 2022

Made the graphic Product for the VIE Medical Institute and Research Foundation. blood donation certificate, Medicine Label, student Cards using adobe illustrator and the corel Draw.

### 3. Authenticstone co. Ltd

May 2024

ASC Jewels logo make using the Adobe Illustrator.

#### **4. Ideal Gems Lapidary**

July 2024

Team India T20 win Match post on instagram made by using Photoshop for the ideal Gems Lapidary.

Magzine page design using the photoshop for stones exhibition of ideal Gems Lapidary.
